25 09:56:56 My learned friend asked a question, was in there a conspiracy
22:1 09:57:02 then against Mr. Beara? Very very difficult and complicated to prove.
2 09:57:10 It is not our burden to prove whether there was a conspiracy. We
3 09:57:15 bring forth the facts. But let me share with you one fact in
4 09:57:19 particular, and that's a proofing note on the 23rd of October 2007.
5 09:57:27 And I believe it may have an ERN number, I was a 65 ter number. I was
6 09:57:33 unable to find it but I do have the ERN number I'll just share for the
7 09:57:37 court so the record is complete. That is ERN number 06242637.
8 09:57:50 We think that examining that issue will shed further light as
9 09:57:54 to how, when and why certain individuals like Deronjic and Dragan
10 09:58:03 Milkovic and others in the Bratunac area who were civilians had lied
11 09:58:08 and fabricated evidence and stories. No doubt they had a motive.
12 09:58:18 Crimes occurred before their very eyes. Both in 1992 and in 1993.
13 09:58:28 This document that I referenced and proofing note of the 23rd of
14 09:58:33 October 2007 is also of a former local individual from that area. He
15 09:58:41 was convicted and he pled guilty, but when he was proved and it was
16 09:58:46 evidence that the Prosecution sought to leave, my learned friend
17 09:58:49 Julian Nicholls who I'm Orahovac he is not here I'm apologise for
18 09:58:54 refrping him because he is not here, he conducted that interview and
19 09:59:21 a Defence attorney and has the qualities to be one. He records
20 09:59:21 honestly in that proofing statement portions of that discussion with
21 09:59:21 Mr. Nikolic. First he tells us that the witness stated that he
22 09:59:22 learned through information that, among others, Drago MRI vas much
23 09:59:23 and Dragan ^ held a meeting at the Bratunac MUP headquarters after
24 09:59:30 the killing. I don't think we are argument about this. This is
25 09:59:34 discussing after the Kravica killing. Never mentions Mr. Beara, Mr.
23:1 09:59:41 Beara was not there, did never participate in any such crime that is
2 09:59:45 occurred there.
3 09:59:46 Point 2 from the 23rd of October 2007 proofing note, same
4 09:59:50 document, Mr. Nicholls records that this witness also stated that
5 09:59:59 "Beara had nothing to do with the burial of the bodies at Glogova."
6 10:00:08 Point 3, same document, Mr. Nicholls records that this witness
7 [redacted]
8
9
10 10:00:38 Civilian authoritys in Bratunac did not know Ljubisa Beara. Even
11 10:00:44 those who claim that they met him during those events supposedly for
12 10:00:49 several minutes or moments while they were conducting the transfer of
13 10:00:55 detainees never before met him or had an encounter with him or under
14 10:01:02 any circumstances would not have accepted or discussed any of the
15 10:01:11 matters that the Prosecution has alleged that have occurred as it
16 10:01:16 relates to Mr. Beara.
17 10:01:18 They had their local military officers who they placed in
18 10:01:25 power in that community. Military men they knew, military men that
19 10:01:32 they supported and military men perhaps whom they conspired with. The
20 10:01:39 Bratunac civilian authorities did not need any outside influence to
21 10:01:47 assist them in the transportation of civilians or Bosnian Muslims in
