S[1]:90:35 49, it is better that we give pack than to ask pack. S[1]:49:12 [Interpretation] So the Proposition is completely disregarding	
711:49:15 the context in which I am saying that the territories of others should	
All'Asis the context in which I am saying that the certificities of others should be all 149:25 not be taken, that people should not lose their lives on account of	
9[1:49:3] certain territories that we would return anyway and so on and so forth.	
10[1:49:35] so a false picture was created. And this paragraph 79, like the entire	
11/11/19/19/ case against me is false.	
1211:49:47 Another way for having a pure territory is for the army of the	
13]11:50:17 other side to take that area, round up the population from their homes,	
1411:50:26 and deport them somewhere. That did not happen in the case of the Serba.	
1511:50:36 To a large extent that did not happen as far as others were concerned too	
1611:50:41 and this is how and why. There weren't any undefended places that had	
17]1:50:47 declared themselves undefended. So the army could not enter a particular	
1811:50:52 town or village without fighting through defence lines. Once the defence	
1911:50:57 lines would be down, the population would leave even before the army.	
2011:51:04 The army would not wait for the enemy army to enter their village or	
2111:51:14 town. In the areas that the Serbs took, such as Jajce, such as Odzak,	
2211:51:22 such as Podrinje later, the Sarbs, the Sarb army, never had any contact	
23 11:51:35 with civilians. The civilians had laft earlier on from all of these	
24 11:51:36 places. That's what the Serbs did. When Grahovo fell, Glamoc, Petrovac,	
25 11:51:46 Sanski Most, Mrkonjic Grad, Sipovo, the people fied the very instant is	
44:1 11:51:55 that I realised that the lines could not be held. So that was not the	
2 11;52:02 way in which ethnic cleansing was carried out.	
3 11,52:08 The third possible way was that the army that had their own	
4 11:52:23 government in that territory would not have to fight its way in. They	
511:52:29 would they could get the people rounded up and deported, but that	
6 11:52:35 never happened. Witness 310 spoke about seeing, I don't know, 300, 400	
7[11:52:41 people at Grbavica at 6.00 in the morning as they were crossing the	
811:52:47 Vrbanja bridge. Is somebody trying to say that these people were rounded	
9 11:52:54 up forcibly at their homes? How many soldiers would be needed for that	
10[11:52:58 kind of thing and what kind of chaos would that have meant? Obviously	
11[11:53:04 that had been agreed upon, there were lists, lists were made. People	
12[11:53:10 reported in advance and they waited for the time when they <u>could cross</u>	
13 11:53:16 over.

19 11:50:86 That is how things	
20 $ 11;54:04$ could have been done. It's not that people were rounded up in their	
21 $11;54:07$ homes, that did not happen. Music talked the situation in Hadzici.	-
2211:54:12 Seven times his family went for this agreed exchange of civilians and
